- Yoshi: tonight: Law School/Business School Party thrown by Chuck Egbuono (3L) & Joseph Flauta's (2L) private company, LawSchoolEvents.com; not sponsored by the SBA

because against the rules for many reasons—private parties being benefited, tax problems because of NYU Law's tax status as a nonprofit, etc.
    - there will be discussion with Pascale Walker about this and related issues
- Howard: NYU/Columbia joint Valentine's Day party @ 49 Grove, next Thursday
- NYU UCSL (student government) Haiti benefit concert; they need funding from us for up-front costs; proceeds will go to American Red Cross
    - Mike Gordon: we fund events, that may give money to charity; but we cannot give money to charity
- Yoshi: Stern poker event, tournament for charity; $35 buy-in, w/ chance for $30 re-buy
    - Stern wants to open it up to the Law School but they're going to fund it
- Mike: separate Law Review bank of outlines, stored in Law Review office on their server/journal computers
    - Stavan/Yoshi: will send e-mail out to all journals (later student groups) asking them to donate their outlines if they have any stashes.
