

NYU@NUS PRE/CO-REQUISITE WAIVER REQUEST FORM

During the lottery and drop/add periods, Albert will allow you to register for a course with a pre/co-requisite, but you will be dropped from the course if you have not satisfied the requirement nor provided prior confirmation of the course taken at another law school by submitting this waiver form before pre/co-requisite checking. Pre/co-requisites will be checked daily on the dates listed in the Academic Calendar (for Summer 2007: **March 19, 2007-March 29,2007**). All signed waivers must be received by the Assistant Director of NYU@NUS no later than March 29. Please note that prerequisite waivers for courses must be filed each term, and students who have not fulfilled pre/co-requisites or submitted approved waivers will be dropped from courses without notification.

Please note that this form may not be used to register for a course, does not guarantee registration of the course, and cannot warrant a student to register for a closed course. Once you submit this form to the Assistant Director of NYU@NUS, you will be notified via email when the waiver has been approved and you can register via Albert. You are still responsible to register for the course yourself.
