

FALL 2010 HOLIDAY MAKE-UP SCHEDULE

A few years ago the faculty changed the Academic Calendar and as part of that change classes are no longer suspended on the Jewish holidays. If you intend to cancel one or more classes in observance of the fall Jewish holiday of Rosh Hashanah, please adhere to the following assigned days and times in which to make up your class. Yom Kippur falls on Saturday, Sept 18th. We have not scheduled any make-up classes for Yom Kippur as regularly scheduled Friday classes end at 1:50 pm, prior to sundown.

By strictly adhering to this fixed make-up calendar, it is possible to avoid make-up class conflicts for students that would otherwise occur. Classes have been assigned to make up their class using the Friday afternoon make-up block, as this day has sufficient minutes.

CAVEATS:

- We are not scheduling the Tuesday 50 minute make-up block as we are reserving these for make-up classes due to faculty illness, emergencies or conferences.
- **Also, we are not scheduling make-up classes during the designated Student Programs time, (i.e. Wednesday 85 minute make-up block from 12:25 p.m. – 1:50 p.m.). This time has been reserved for student events under auspices of the Vice Dean's Office.**

If you plan to **schedule** a make-up class, please have your assistant reserve your currently scheduled room as soon as possible. **Please keep in mind that there may be classroom changes in the summer during the registration period.** Therefore, before classes begin in early September, please have your assistant make certain that your make-up room is the same as the room to which we have assigned to your class.
