**Rib Dry Rub and Recipe- Doug Martin****T-29**

This BBQ dry rub and recipe is based on a 1st place winning recipe from the Chisolm Trail Roundup BBQ Cookoff in Fort Worth Texas. It is slightly modified from the original so that it can be made with just an oven, instead of with a smoker. It is also a little less spicy so that it is more palatable. It combines the sweetness of brown sugar and honey with the spiciness of cayenne and chili, for a delicious balance. This is REAL Texas barbecue, with no need for any additional sauce. For any questions about the recipe, especially while cooking, you may call me directly.
