

NYU Law –Web Help: Colloquia Header Styles

TOPICS:

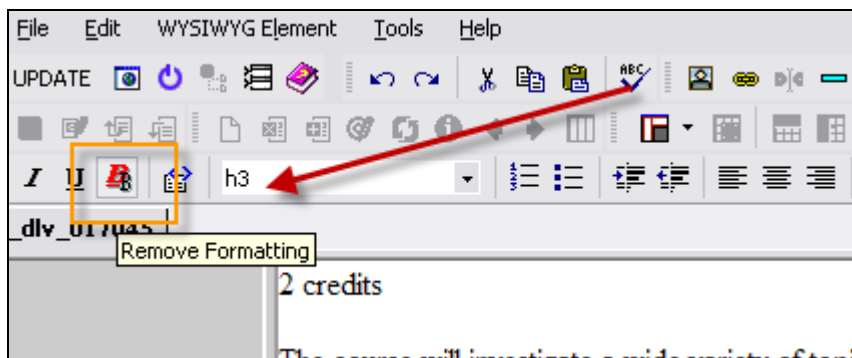

Breakdown of header styles for colloquia pages.

The following is an example colloquium page with the different header styles clearly defined. Simply highlight the text you would like to apply style and select the corresponding “h” style from the dropdown CSS Classes box.

To remove a header style you have applied, highlight the same text again and select the “Remove Formatting” icon from your toolbar.

NYU Law –Web Help: Colloquia Header Styles
