

Direct Deposit of Scholarship/Fellowship Stipends for Graduate and Professional Students:

If you are a graduate or professional student receiving scholarship/fellowship stipend support, you may have stipend payments directly deposited into your checking or savings account. To be eligible for direct deposit, you must have a checking or savings account at a bank that is a member of the Automatic Clearinghouse (most banks are members). There is typically a delay of at least one month before the direct deposit agreement becomes effective. *Stipend checks will continue to be sent to your normal location until direct deposit becomes effective for you or if you do not elect the direct deposit option.*

To apply for direct deposit of scholarship/fellowship stipends, follow these simple steps:

1. **Complete** the Automatic Scholarship/Fellowship Stipend Direct Deposit Enrollment form. You may enter your information on the fill-in form on the next page but you cannot submit it online.
2. **Print** the form.
3. **Sign** the form.
4. **Submit** the form to the Stipend Payments Department, 726 Broadway, 2nd Floor. If you send the form by interoffice mail, be sure to use Mailcode 1525.

Note: This form is to be used **only** for direct deposit of scholarship/fellowship stipend payments. You may **not** use it for assistantship stipends. If you wish to establish direct deposit for assistantship stipends, the proper form is available at: www.nyu.edu/hr

Proceed to the Automatic Scholarship/Fellowship Stipend Direct Deposit Enrollment form on page 2.
