### Loan Deferment and Enrollment Verification

Name: \_\_\_\_\_ Date: \_\_\_\_\_

ID#: \_\_\_\_\_

The Law School, together with the rest of the University, utilizes the National Student Loan Clearinghouse to process loan deferments.

The enrollment status of all students is reported on a monthly basis by New York University to the Clearinghouse. The Clearinghouse, in turn, reports enrollment status to the lender institutions.

I understand that all forms that I submit to the law School concerning loan deferments will be forwarded to the Clearinghouse for processing.
