Because seating is limited for this seminar, we regret that we cannot immediately accommodate all interested applicants. Applicants who cannot be accommodated in 2013 will be put on a waiting list in case of vacancies; if there are no vacancies, applicants will be put on the waiting list for the 2014 Seminar. We try to defer applications for no more than one year after the Seminar originally applied for, though sometimes this is impossible. We will notify applicants of their status in March; in fairness to all applicants, we cannot guarantee responses before then.

The tuition fee is \$1,000, which covers instruction, materials, and some meals. (*Please note that we will invoice participants for the tuition fee in late May 2013.*) Travel and lodging are the responsibility of the applicants.

Approximately 23 hours of CLE credit are available for this program.

Kindly return by March 22, 2013 to:
