+ ***New Student Group Proposal:***

- Law & Religion Society: The Group's mission is to educate, advocate, and plan debates on the defense of religious freedom, religion's role in law and public policy, and the promotion of interfaith dialogue among all the religious groups at NYU School of Law. The Group aims at hosting lectures with visiting speakers, discuss and debate on religious liberty issues, and network with religious freedom advocacy groups. The SBA members voted and approved (Y-18, N-1, A-0).
 - Budget – The SBA Treasurer will work directly with the Group to determine the allocation.

+ ***Incentive Funding Request:***

- Alternative Breaks: A representative presented and requested to bring this year's budget in congruence with the budget from previous years. The pro-bono trips remain popular and oversubscribed, and the Group would like to open a new service trip to Arizona. The SBA members voted and approved (Y-16, N-0, A-3).

+ ***Meeting Times***: Next week, we will return to the weekly Tuesday at 11:00am schedule, but will hold one meeting a month on Wednesday at 4:00pm.

+ ***Feedback***: Discussed how Groups could work with the Administration to reduce conflicts resulting from hosting similar events, and reviewed a Course Advisement Timeline for the Administration.
