Student Group Event Resources

Public Interest and Government Contacts: PILC can connect you with potential speakers who work in public interest and government for your events and programs. If your student group is planning an event with outside guests, feel free to email pilc.info@nyu.edu for assistance and guidance on reaching out to them.

Publicity: PILC can help publicize your student group event by including it in the PILC portion of the weekly Docket email to students. Be sure to submit the announcement to PILC at pilc.info@nyu.edu on the Wednesday before the week you'd like the announcement distributed on the Docket.

Guidance: PILC is available to act as a sounding-board for your program ideas. We've worked with many student groups before and are able to provide you with advice for your event ranging from how to reserve the right space for your event to deciding on an event agenda.

Coordination: If you're having an event with outside guests and/or alumni, then please tell us about it. We want to know who from the public interest and government community is visiting NYU so that PILC can better coordinate events with public interest student groups.

Questions: If you have any questions about these resources, feel free to reach out to Jorge Luis Paniagua Valle, Programs Director for the Public Interest Law Center at jorgeluis@nyu.edu.
