* Credits earned in the fieldwork component of a clinic qualify as in-class credits and do not count against the 19-credit maximum for "non-classroom credits" if (1) the clinic's fieldwork involves actual clients and includes opportunities to advise or represent a client and (2) a full-time or adjunct faculty member directly supervises the fieldwork. If the fieldwork does not satisfy these criteria, then credits earned in the fieldwork count against the 19-credit maximum for non-classroom credits.
