

FALL 2014 JEWISH HOLIDAY MAKE-UP SCHEDULE

According to the academic calendar approved by the faculty, classes are not suspended on the Jewish holidays. If you intend to cancel one or more classes in observance of the fall Jewish holiday of Rosh Hashanah, please adhere to the following assigned days and times in which to make up your class. Yom Kippur begin at sundown on Friday, October 3. We have not scheduled any make-up classes for Yom Kippur as regularly scheduled Friday classes end at 1:50 pm, prior to sundown.

By strictly adhering to this fixed make-up calendar, it is possible to avoid make-up class conflicts for students that would otherwise occur. Classes have been assigned to make up their class using the Friday afternoon make-up block.

Consistent with the Law School's general policy, audio recording is available whenever there is reason to believe a significant number of students might be absent. If you would like your classes audio-recorded for students who will be observing the Rosh Hashanah Holiday, you may make a request to the Media Services Group.

The Media Services Department now has an online request form to request services such as audio recording of classes. Instructions on how to request this can be found [here](#).

CAVEATS:

- Except for Tuesday, September 23; we are not scheduling the Tuesday 50-minute make-up block as we are reserving these for make-up classes due to faculty illness, emergencies or conferences.
- **Also, we are not scheduling make-up classes during the designated Student Programs time, (i.e. Wednesday 85 minute make-up block from 12:25 p.m. – 1:50 p.m.). This time has been reserved for student events under the auspices of the Vice Dean's Office.**

If you plan to schedule a make-up class, please have your assistant reserve your currently scheduled room as soon as possible, but no later than August 29, 2014. Please keep in mind that the make-up class you schedule may meet for a shorter or longer time than the make-up block (1 hr. 50 min.). Please schedule your make-up class for the same number of minutes as the canceled class.

Please note that for classes which meet for a longer time than the scheduled make-up block allows, you may either schedule the make-up class to go longer than 3:50 p.m. (provided the classroom will be available for the extra time) or you may schedule two make-up classes. We have marked these classes with an asterisk on the list of classes provided below.

Please keep in mind that there may be classroom changes in the summer during the registration period. Therefore, before classes begin in early September, please have your assistant make certain that your make-up room is the same as the room to which we have assigned to your class.
