

FALL 2015 HOLIDAY MAKE-UP SCHEDULE

According to the academic calendar approved by the faculty, classes are not suspended on the Jewish holidays. If you intend to cancel one or more classes in observance of the fall Jewish holidays of Rosh Hashanah and Yom Kippur, please adhere to the following assigned days and times in which to make up your class.

By strictly adhering to this fixed make-up calendar, it is possible to avoid make-up class conflicts for students that would otherwise occur. Classes have been assigned to make up their class using the Friday afternoon make-up block, as this day has sufficient minutes.

Consistent with the Law School's general policy, audio recording is available whenever there is reason to believe a significant number of students might be absent. If you would like your classes audio-recorded for students who will be observing the Rosh Hashannah or Yom Kippur Holidays, you may make a request to the Media Services Group.

The Media Services Department now has an online request form to request services such as audio recording of classes. Instructions on how to request this can be found [here](#).

CAVEATS:

- Except for Friday October 23 and Friday October 30, we did not designate a make-up class during the Friday morning make-up block from 8:00-9:50am as we are reserving this time for make-up classes due to faculty illness, emergencies or conferences. **(NOTE: When we used the early morning make ups we started later in the morning. If you prefer you can start your make up class at 8am and only have one session.)**
- **Also, we are not scheduling make-up classes during the designated Student Programs time, (i.e. Wednesday 75 minute make-up block from 12:45 p.m. – 2:00 p.m.). This time has been reserved for student events under auspices of the Vice Dean's Office.**

If you plan to schedule a make-up class, please have your assistant reserve your currently scheduled room as soon as possible, but no later than August 28, 2015. Please keep in mind that the make-up class you schedule may meet for a shorter or longer time than the make-up block (1 hr. 50 min.). Please schedule your make-up class for the same number of minutes as the canceled class.

Please note that for classes which meet for a longer time than the scheduled make-up block allows, you may either schedule the make-up class to go longer than 3:50 p.m. (provided the classroom will be available for the extra time) or you may schedule two make-up classes.

Please keep in mind that there may be classroom changes in the summer during the registration period. Therefore, before classes begin in early September, please have your assistant make certain that your make-up room is the same as the room to which we have assigned to your class.
