LUNCHEON AND DINNER SERVICES

Each luncheon and dinner is priced per person and can be served as a buffet or plated meal. The luncheons and dinners are listed with two prices. The first price is for luncheon service, which requires no additional or overtime kitchen staffing. The second price, for dinner service or any weekend service, reflects a larger dinner sized portion as well as required additional and overtime staffing. Desserts are priced à la carte and are not included in the menu pricing.

Elite Luncheons and Dinners
