The Henry and Lucy Moses Center for Students with Disabilities (CSD) determines qualified disability status and assists students in obtaining appropriate accommodations and services.

How to Register with CSD
Students in higher education who wish to receive accommodations must self disclose by registering their disability with CSD. The Moses Center for Students with Disabilities (CSD) has established the following process for registration with the office:
• Complete an Application for Services form.
• Gather and submit current documentation of your disability. To register a learning disability or ADD/ADHD, you must submit a current psycho-educational or neuro-psychological evaluation. For all other disability types, you may submit the CSD Certification of Disability form completed by a qualified health professional/clinician. Please refer to our Disability Documentation Guidelines and choose the one specific to your disability to give to your clinician to use as a guide for completing the Certification of Disability form or psycho-educational or neuro-psychological evaluation.
• Submit a signed Authorization for Release of Information form so CSD has your permission to contact your clinician if necessary.
• After you have submitted the Application for Services, current disability documentation, and a signed Authorization for Release of Information form, your request for accommodations will be reviewed by a CSD Disability Specialist. You will then be contacted to schedule a meeting to discuss one of the following: 1. Your approved accommodations and how to use the services provided by CSD; 2. The need for additional documentation of your disability; 3. Why you have not been approved for accommodations through CSD
**Please note that all CSD forms are also available at the Moses Center at 726 Broadway, 2nd Floor.
