

Spring 2014 Make-up Schedule for Classes Canceled on February 13

On February 13, 2014, the University canceled classes beginning at 3:00 p.m. or later for inclement weather. The following make-up schedule has been created to avoid make-up class conflicts for students and faculty that would otherwise occur. Classes have been assigned to make up their class using the Friday afternoon make-up block.

If you plan to schedule a make-up class, please have your assistant reserve a classroom as soon as possible. Due to the last minute nature of the rescheduling, your current classroom may not be available. Please keep in mind that the make-up class you schedule may meet for a shorter or longer time than the make-up block (1 hr. 50 min.). Please schedule your make-up class for the same number of minutes as the canceled class.

Please note that for classes which meet for a longer time than the scheduled make-up block allows, you may either schedule the make-up class to go longer than 3:50 p.m. (provided the classroom will be available for the extra time) or you may schedule two make-up classes. We have marked these classes with an asterisk on the list of classes provided below.

If rescheduling your class to another weekday evening would create less conflicts for you and your students, you may deviate from this make-up schedule.
