SPECIAL NOTE regarding Stern courses with prerequisites:

Finance Courses: Many Stern Finance courses maintain course prerequisites/co-requisites.

If you seek a waiver for a prerequisite course, you must pass the Stern Proficiency Exam for the relevant course subject. Please note that you can take each proficiency exam only once. Exam grades may not be appealed. If you do not pass the exam, you have not satisfied the prerequisite waiver, and you cannot register for the course in question. You may not take more than one proficiency exam per session.

Proficiency exams are offered four times a year (August, October, January, and March).

- Information regarding proficiency exams can be found at: <http://www.stern.nyu.edu/AcademicAffairs/>
- Law School students interested in taking the exam should email: advising@stern.nyu.edu
- Upcoming Exam dates are listed at: <http://www.stern.nyu.edu/AcademicAffairs/>

Non-Finance Courses: For a prerequisite waiver in a subject area other than Finance, you should obtain permission to waive out of the relevant prerequisite course from the Director of Academic Services (law.acadservices@nyu.edu) via the form found at: <http://www.law.nyu.edu/academicservices/forms>

INSTRUCTIONS

*** Carefully read the following instructions before submitting this form. Thank you. ***

Complete this request form and attach a petition. Your petition must include:

1. An explanation of your reasons for seeking to receive law school credit for the course. If you are able to show that the course is directly related to the study of law, the law school administration will usually grant the request to allow law school credit as long as the course is appropriately rigorous. If the course is not directly related to the study of the law, the law school generally will not allow law school credit unless you are able to make a detailed, persuasive showing that taking the course will further the career that you intend to pursue and/or enhance the value of law school courses that you plan to take. Basic courses in foreign languages will not qualify but a course conducted in a foreign language that is directly related to the study of law may be permitted upon petition, and you can petition to take one course conducted in a foreign language that is not directly related to the study of the law by showing that the course will further the career that you intend to pursue or enhance the value of law school courses that you plan to take.
2. The syllabus for the course that you are seeking to take at the other division of the University for law school credit.
3. Information about the teacher of the course that you are seeking to take at the other division of the University for law school credit.

Submit the request form and your petition to the Office of Academic Services for approval.

Students will be permitted to enroll for non-law school graduate courses within the University **only** if they have permission from the Office of Academic Services. Permission to enroll, in all cases, will be subject to the availability of space in the class after registration at the particular department within the University is complete.

Tuition

Students will be required to pay tuition at the law school rate for the designated credits assigned by the graduate school.

Allocation of Credits

Please note according to ABA rules, 700 minutes of class instruction (excluding breaks) is equal to one Law School credit. To calculate the allocation of credits: divide the total number of class meeting minutes in the semester by 700 (round down to the nearest quarter credit). Therefore, the number of credits received will differ despite the actual credits assigned by the graduate school. You are responsible for calculating the number of credits you will receive and include your calculations in the form as required. You can check with the Office of Academic Services, once you have calculated the credits, if you have any questions about the number of credits to be awarded.

*****Students are responsible for checking ABRA (3–4 business days after the form is submitted) to learn whether or not they have been registered. All students are responsible for dropping any non-law course within the stated non-law drop deadline.***

Important Notice Regarding Preferential Stern Courses

You may NOT use this form to request spring 2016 Stern Preferential Courses listed.

The Stern courses offered for preferential cross-registration are identified by the footnote "Prf" and the course type "Stern Preferential Course" for bidding and add/drop purposes only. After add/drop, the courses will be identified by the Stern course numbers on the records of students whose bidding or add/drop requests are successful and they will count towards your total of non-law credits.

Please see below for a list of Spring 2016 Stern Preferential Courses.
