Transcript Request Form

TO THE APPLICANT: This NYU Law transcript form should be given to the registrar, or other central administrative office responsible for preparing and verifying official student records, at your school(s) who should return the form and transcript to you in a sealed envelope with a signature across the seal. If you attended a school that releases information about class rankings, please ensure that your registrar includes that information with your transcript. Where class rank is not available, your school should submit an explanation of its grading system and the guidelines or regulations that govern it and attest that the school does not rank its students.

If a translation is required, the certified translator may break the registrar's seal for translation purposes, and then should seal the original transcript and certified translation in a second envelope and sign across the seal prior to arranging for submission to the Office of Graduate Admissions.
