

**Bold Line issues programmatic, low-risk credit lines to emerging impact fund managers, lending only against signed, undrawn LP commitments to remove fundraising risk and close short-term liquidity gaps. By combining affordable capital with rigorous impact underwriting and eligibility for managers serving underserved communities, Bold Line scales equitable institutional investment.**

Bold Line issues programmatic, low-risk credit lines to emerging impact fund managers, lending only against signed, undrawn LP commitments to remove fundraising risk and close short-term liquidity gaps. By combining affordable capital with rigorous impact underwriting and eligibility for managers serving underserved communities, Bold Line scales equitable institutional investment.

Bold Line supplies low-risk capital-call lines to emerging impact fund managers by lending only against signed, undrawn LP commitments (capped at 60%). It pairs a growing first-loss reserve with enforceable collateral (DACA, UCC), standardized governance and parallel capital (SMAs, SBLs).

Impact to date: \$7M+ closings, \$1.9M dry powder and a \$500k Founders First pilot that drew/repaid 3x and cut closings from 3 weeks to 3 days, boosting lending velocity. Social: expands institutional capital to emerging managers and diverse founders (Founders First served 1,152 companies; 1,709 jobs). Environmental: enables funds financing green/real-asset projects. Anticipated: scale toward ~\$100M, mobilize institutional capital, create more jobs and equitable access to capital.
