

Dear Lender / Servicer,

The Loan Repayment Assistance Program (LRAP) is a ten-year program designed to give NYU graduates greater flexibility in choosing a career path. Participants who are full-time employees working in public interest are eligible for benefits from LRAP to help cover the monthly payments for their law school debt as long as they meet all of the requirements of the program.

Please complete the attached Loan Verification Form which is required by the program in order to participate and receive assistance. Please send the completed form to NYU School of Law by email using law.lrap@nyu.edu or by sending the document back to me.

As of March 2020, the Office of Student Financial Services is working remotely and can therefore not accept faxed or mailed documents.

Thank you in advance for your assistance.
