BAR STUDY LOAN CERTIFICATION FORM

Law School students who are interested in borrowing a private Bar Study Loan are encouraged to complete this form to ensure a timely certification of the loans from the Office of Student Financial Services. Failure to complete this form may result in the delay of funds if the lender requires a school certification. Students interested in participating in the Loan Repayment Assistance Program (LRAP) may have up to \$10,000 for a Bar Study Loan added to total coverage so long as they meet the requirements for participation. Please contact the Office of Student Financial Services if you are unsure of your eligibility for LRAP or if you would like to discuss Bar Loan coverage further.
