

Greenberg Lounge – Audio-Visual Capabilities

Sound Reinforcement

10x Wireless Handheld Microphones (All-purpose units for panelists, podiums, stationary or passed Q&A, etc. Assortment of stands available)

8x Wireless Lavalier Microphones (Clip-on units, best for keynote speakers, fireside chats & small panels)

40x Shure Delegate Microphones (Stationary mics for roundtable discussions & larger groups)

30x Listen Assisted Listening Receivers (Portable receivers for guests who may have particular difficulty hearing)

Presentation Display

1x Windows Laptop (For Powerpoints, web browsing & other presentation needs; can be connected for audio playback & webconferencing. Macintosh available upon request)

2x 60" LCD TVs

No-Delay Overflow from Tishman Auditorium (Stream presentations & materials from Tishman Auditorium into Greenberg Lounge instantaneously, with no delay in transmission)

Recording

(Note: Greenberg Lounge will accommodate any Video Recording Package offered by our Video Production team)

In-House MP3 Recording

5x Auxiliary Audio Output (For external recording devices)

Note: If you feel your needs can't be met with the above-listed technology, please let us know as soon as possible. We're happy to discuss options, up to & including coordinating with outside vendors, to ensure a successful event.
