## Acknowledgement of Risk and Release and Waiver of Liability Form

**Acknowledgement of Risk:** As parent or legal guardian of the child whose name appears below, I acknowledge that there are certain risks inherent in my child's participation in the High School Law Institute ("HSLI"), at New York University School of Law which will take place from October 2014 through April 2015. These risks include, without limitation, risks associated with travel to, from, and in and around New York City and my child's participation in supervised and unsupervised activities while at HSLI. I also acknowledge that any questions I or my child have about activities or travel related to HSLI can be addressed to representatives of HSLI or New York University (the "University"). I agree that I will inform an appropriate representative of HSLI of any special information regarding the health, or physical or mental condition of my child that may be relevant to my child's participation in HSLI.

**Waiver:** In consideration for permitting my child to participate in any way in HSLI, I, for myself, my heirs, personal representatives or assigns, do hereby agree to release, waive, and discharge, and covenant not to sue the University, its officers, employees, and agents or servants, including any representatives of HSLI, from any liability or responsibility for any personal or bodily injury, accidents or illnesses (including death), and for any damage to or loss of property, however caused, that my child or I suffer as a result of or in connection with my child's participation in HSLI or any travel related to HSLI, including, without being limited to, any injury, loss, or damage resulting from, arising out of, or occurring in connection with the negligent acts or omissions of members of the faculty or staff or other employees, agents or servants of the University or HSLI.

**I have read the previous paragraphs and I know, understand, and appreciate these and other risks that are inherent in the participation in HSLI. I hereby assert that my participation is voluntary and that I knowingly assume such all risks.**

**Indemnification and Hold Harmless:** I also agree to indemnify and hold the University harmless from any and all claims, actions, suits, procedures, costs, expenses, damages and liabilities, including attorney's fees brought as a result of my involvement in the participation in HSLI and to reimburse them for any such expenses incurred.

All references to the University in this form will include, and all provisions of this form will inure to the benefit of, the University's trustees, officers, employees, agents, servants, and representatives, including any representatives of HSLI.

This acknowledgment of risk and release and waiver of liability are governed by and will be construed as broadly and inclusively as is permitted by and in accordance with the laws of the State of New York without regard to principles of conflicts of law, and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect. I agree that I will submit to the exclusive jurisdiction of the federal and state courts located in New York County, New York State, for the resolution of all disputes arising hereunder or relating hereto, regardless of the place of execution of this form.

**I have read this waiver of liability, acknowledgement of risk, and indemnity agreement, fully understand its terms, and understand that I am giving up substantial rights, including my right to sue. I acknowledge that I am signing the agreement freely and voluntarily, and intend by my signature to be a complete and unconditional release of all liability to the greatest extent allowed by law.**

## **Student Policies**

[1] Students shall be respectful to all other students, teachers, and board members of the High School Law Institute. There will be **zero tolerance** around insensitive comments regarding parts of a student's identity like race, religion, gender identity, sexual orientation, and socio-economic class. Physical altercations and threats will also not be tolerated. If a student violates this standard, a board member will have a discussion with that student and his/her parent about the student's future in the program.

[2] Students shall attempt to attend every session and be prompt to classes. Students shall notify the Student Coordinator if they will be absent or miss any portion of the program. If a student misses classes/events or is consistently late, a board member will have a discussion with that student and his/her parent about the future in the program.

[3] Students shall complete all work and readings assigned to them and be prepared for the program. Students shall also actively participate in class. If a student misses assignments consistently or refuses to participate in class, a board member will have a discussion with that student and his/her parent about the student's future in the program.

[4] Students shall turn in all release forms and other requested documents. Students shall have their NYU issued identification with them at the program. Students who lose or forget their identification shall notify a board member. If a student does not hand in these documents or does not maintain their identification, a board member will have a discussion with that student and his/her parent about the student's future in the program.

[5] Students shall be respectful of NYU's property and facilities. Students shall also act professionally and courteously to NYU students, professors, and employees who will also be at Vanderbilt Hall. If a student damages NYU property or is disrespectful to people at NYU, a board member will have a discussion with that student and his/her parent about the student's future in the program.

The HSLI board reserves the right to interpret these policies consistently with the goals and standards of the program.

**I agree to follow the policies set out above. I understand that not conforming to these policies will result in my expulsion from the program.**
